Forecast for Wednesday 15 Jun 2022

Weather:. A mainly dry and cloud start to Wednesday, but patchy mainly light rain developing and becoming heavy at times during the afternoon and evening. Mainly dry across Ben Wyvis and the Caithness hills with some brighter spells developing.

Chance of cloud-free hill tops above 800m: 30% becoming 10% across western ranges. 80% in the east.

Low cloud and visibility: Becoming poor across western ranges with widespread low cloud down to 400 metres, locally 200 metres later near the west coast. Ben Wyvis and the Caithness hills largely clear of cloud with good visibilities, although patchy cloud forming above 600 metres later.
